The funds dispersed to assist veterans were used to provide a large array of items and needs: mortgage payments, rent, food vouchers, medical and dental needs, comfort kits, afghans, moving costs and associated transportation expenses, utility bills, education, transportation, furniture, gas, the list goes on and on.

You are to be commended for your ongoing generosity and financial support of this program. As you can see it is needed and we have only touched the 'tip of the iceberg'. Keep up the good work, your support is appreciated by those veterans in need.

Thank you.
